Upon acceptance, a sponsorship agreement will follow.

*As a sponsor, you play an important role in our community and in the establishment of the arena. Your capital contribution will be put to work immediately along with our government contribution and donors. Your name and entity will be recorded in the [Book of Legends](#) under our Active Sponsors category and should you decide to end your sponsorship at next renewal you will move into our Past Sponsors category in **perpetuity**. The Book of Legends will be active on our [website](#), on our [YouTube channel](#) and later on display in the arena's foyer.*

Although the arena project is already underway, the effective date of your sponsorship will reflect our opening date to the public and will run for the duration of the agreement.

We hope you join us for this extraordinary endeavour!
